Report:

Policy met the 14th Tuesday of last month following the living
clean meeting we were able to go back as far as July
of last year and found 5 Policy motions that need to
be added.

There was much discussion related to the motion removing
meetings from the meeting list. It was agreed to review the
PR Policy and come back with a motion that aligns with
our policies and principles.

Members brought other policies to review for formatting suggestions.

We are looking for literature policies to come up with
suggestions for our literature subcommittee.

The website that "suggested new policies" that we are unclear
of where they originated.

RCM Report 3/8/18

RD and RDA are preparing for the world conference. any groups who do not have your tally sheets ready tonight can email them to me at t.kinnison007@comcast.net no later than April 1st, so that I can give them to the RD before I leave for vacation on April 2nd. Our RD will accept reports up until the 14th but would prefer to have them sooner, so that he and the RDA can go over them, and have a better idea of the regions conscience prior to leaving for the conference.

The RD will be having a Zoom meeting about the CAR report on 3/13 and on 3/27. Anyone interested in jumping on the Zoom meeting can contact me after Saturday's regional to get more information. I will try to get the information posted on our website as soon as I have it.

Thank you for allowing me to serve
