Report: We met last month on May 24th at 6pm. Peggy from Special Events joined us to discuss the Special Events Policy. We evaluated last months motion related to accountability and clarified what was actually being requested. An accounting measure to track Home Group donations. In addition we discussed the following items related to Special Events:

1. Prudent Reserve as it relates to special events as their policy currently states anything over \$550 is to be donated back to Area.
2. The use of a Facebook page to promote activities. We suggested reviewing the Social Media IP for guidance.
3. Use of an accountability statement. The current Special Events policy states: Any person selling tickets, handling money or assets of the SASE must sign an accountability statement."

The policy committee discussed options for keeping the policies current on the website. We are still discussing these options. One method is to keep a log of any updates to the policy in order to have a realtime current policy available. Another method is to create an Archives on the website as a place to keep older policies as they are changed.

Our next meeting will be on June 27th at the Freedom Church prior to the Complete Defeat meeting.

Greetings Family As my time runs down as your RCM I would like to say Thank You for allowing me to be of service. Why public relations is important to the NA member

Public Relations Week June 3-9

The Narcotics Anonymous message is "that an addict, any addict, can stop using drugs, lose the desire to use and find a new way to live." Our relations with the public enable us to share this message broadly so that those who might benefit from our program of recovery can find us.

Chesapeake & Potomac and Freestate Region hosting
Multi Regional NA Public Relations Day:
Mt Olive UMC
5115 Old Court Rd
Randallstown, MD 21133

The following points are goals that we can strive to fulfill in making NA a visible and attractive choice for addicts:

1. We clarify what services NA can and cannot provide to the community.
2. We make NA members more aware of their role in NA's public image.

We're compiling a new book! The 2018 World Service Conference approved a project plan for a book that explores a spiritual principle on each day of the year. According to a 2017 survey, members want...

- To hear the voices of fellow members,
- To learn how others apply principles in their daily lives, and
- To read about how living by spiritual principles shapes our experience.

We launched our effort to gather members' writing at the World Convention in Orlando, Florida, last August. Since then, a Fellowship-wide effort has generously produced raw materials for the book. Home

groups, service bodies, sponsorship gatherings, events, and individuals all contributed. We received more than 1,000 pages of advance material on the initial four principles in circulation. Thank you!

We've woven this work together to create entries that are truly by addicts, for addicts. You'll find the first batch of the resulting work posted below. We encourage members to participate in the review and input (R&I) process and let us know what you think.

The deadline for input on this first batch of R&I is 1 September 2019.

Here's what you need to know about R&I
