We meet January 24 at 6pm

1. Time was spent discussing Learning Day presentation about Policy
2. Our next meeting is Feb 28 at 6pm, Freedom Church on Conowingo Rd, Bel Air.
(This is correct day, wrong date may have been given at area service)

RCM Report 2-13-20

Hello everyone, Chris F. and I attended the Regional Off-Month on January 11 at the Freestate Regional Service Center.

Open Positions

Alternate Secretary (1 year clean)

Vice Treasurer (4 years clean, 1 year regional experience)

Phone Line Chair (4 years clean, 1 year subcommittee experience)

Free State Service Center Susquehanna Board Position

Convention

Wayne B. elected as Chair

Pam S. elected as Vice Chair

John P. affirmed as Board Member

One open Board Member position, 3 years clean time, 4 year commitment with option for a 5th.

Will be updating the policy to adjust to convention now being every 2 years.

CAR Report

Susquehanna CAR report workshop will be on February 15 at St. John's Church in Havre De Grace. Christian the Regional Delegate Alternate will be there to present the report. All home groups should be going over and voting on the motions in the report. The workshop will help to gain a better understanding of the motions. Tally sheets for the motions are going to be turned in to the Regional Delegates at the April 11th Regional, so I will need all tally sheets by the April 9th Area Service.

Public Relations

Our billboard in Joppatowne has completed its 8 weeks and the project has moved to the Bay Area. Discussion was held about the money refunded to the Region from the convention, a suggestion has been to use the money to help fund the billboard project. Billboards have already gone up in 2 Areas (Baltimore and Susquehanna), so 8 more remain on the project plan. Estimated cost of remaining billboards would be \$15,200. There was discussion about adding the billboard project into the Regional Budget in 4 or 8 month blocks, which would cover 2 or 4 at a time, cost of 2 billboards is estimated at \$4000. Also, there is consideration of making the project ongoing. Meaning, once they have gone through each area that they would start back at the beginning and go through them again. There were questions about the effectiveness of billboards and how to determine their success rate. There is currently no clear way to gain metrics for the billboard other than the traffic rates for the location that are given by the billboard company.

Next Regional is February 15th. Region was rescheduled from the 8th due to the MARLCNA.

This will be an On Month so subcommittee chairs are to attend. Subcommittees meet at 10, Region begins at 11:30.

Thank you for allowing me to serve.

Vice Chair Report

February 13, 2020

Hello All,

Thank you to Special Events committee for an awesome event last Saturday. Great Speakers, Good food, Prizes, Great DJ, most importantly fun was had by all. Bravo Special Events! We all look forward to more events in the future.

Just wanted to remind everyone that there is one ASC meeting after tonight before the CAR reports are due. I hope that you have downloaded, or ordered your reports, and have made some kind of plan with your home groups to get your groups conscience back here by April 9th ASC meeting. Our RCM and Alternate have set up a CAR work shop at St Johns Church on February 15th, (this Saturday) to give you all of the information you will need to understand this year's CAR report.

There are a lot of regions asking for WSC to create project plans that are also mentioned in the survey section of the report. This can get a little confusing. Mike, Chris, and I sat through the presentation you will get on the 15th so if you cannot attend and have questions feel free to call. I will help in any way that I can.

I also want to remind all subcommittee chairs that Regional is this weekend, make sure you are in attendance or that someone is in attendance for you.

Thank you for allowing me to serve,

Tina K
